

# Limited Warranty

## Acceptable Tolerances

- Door Size +/- 0.03"
- Panel movement across grain: +/- 0.375"
- Frame movement: +/- 0.03"
- Three piece front movement: +/- 0.07
- Bowing of Frame <math>\leq 0.06''</math>
- Mitered joint movement <math>\leq 0.02''</math>

## Solid Panel Doors

- Doors wider than 25" require an intermediate stile
- Doors taller than 50" require a mid-rail
- Oversized doors specified without the above will have no warranty

## Warping

All five piece doors are prone to some warping, especially as the seasons change. The larger the door, the more this warping will be evident. Allowable warpage of doors with a maximum width of 24" and maximum height of 30" is 1/8" across corners. The allowable warp is proportionate to the size of the door. IE: a door that is 24" x 60" is 1/4". Maximum height of any door covered by warranty is 70".

Standard frame width is 2 1/4". Frame wider than 3" have no warranty.

Classic Woodcraft will replace any product found defective due to poor workmanship.

Finishing, freight, installation, etc. is not covered by warranty.

Solid Components > 7" across the grain have no warranty.

Joints showing when solid color finish is used have no warranty (includes a crack in finish)

Any component damaged as a result of improper handling, finishing, alteration, storage or use in a non-controlled environment have no warranty.

Classic Woodcraft Limited Warranty is valid for one year from date of purchase.
